## Employment Opportunity

### USSC Group, Inc.

USSC Group is focused on providing survivability and mobility solutions to the commercial and military transportation markets. The Group consists of different companies broken into 5 segments -seating, fire suppression, service and testing, vehicle manufacturing and adventure tourism.

We are looking for a Rail Transit and Locomotive (RTL) Sales Manager who will be responsible for all new and existing seating contracts for the Rail Transit & Locomotive markets. Additionally, the RTL Sales Manager is responsible for outside sales including, but not limited to, making sales calls on customers in the Rail Transit & Locomotive markets. The RTL Sales Manager will be working with inside sales and project management to enhance the customers' experience on their OEM, Aftermarket and Parts purchases.

To apply, please send resume and salary requirements to [Iroberts@usscgroup.com](mailto:Iroberts@usscgroup.com)  
USSC Group, Inc. is an Equal Opportunity Employer.

To Post your Resume or Employment Opportunity for **FREE** in The Rail Mart - Digital Edition as well as on our website. Just email the information to: [Editor@therailmart.com](mailto:Editor@therailmart.com) and we will do the rest.

## EMPLOYMENT OPPORTUNITY

### GATX Corporation

The **Fleet Manager** will actively manage multiple fleets of railcars – totaling approximately 10,000 to 25,000 cars - within GATX Rail's portfolio. Specifically, the goal of the position is to maximize return of the existing fleet (in both the short and long term) among the selected car types, while also supporting profitable growth. In addition to successfully completing railcar lease transactions, the incumbent will be responsible for fleet management activities pertaining to their specific fleets and support broader strategic initiatives.

The **Senior Analyst – Locomotive** will provide high-end commercial and administrative support and management reporting for the Locomotive Group.

- Bachelor's degree, preferably with focus on business or engineering, an MBA is optional
- Project management experience
- Contract administration/interpretation experience
- Knowledge of various rail car types and rail industry regulations is preferred
- Sound communication skills and the ability to facilitate meetings in which multiple parties will discuss technical issues
- Some travel may be required.

Interested qualified individual should contact Jennifer Pickens at [jennifer.pickens@gatx.com](mailto:jennifer.pickens@gatx.com)

## New Tank Cars available for Sale or Lease
